## **Administrative Training Institute**

### **Foreword**

Administrative Training Institute, Mysore is the apex training institute of the Government of Karnataka and catering to the training needs of Group 'A' and Group 'B' officers since 1967. Through a network of 22 DTI's the training needs of C & D Groups are also met.

The ATI's need for networking among various Training Institutions was felt since long. It has now endeavored to compile the list of Training Institutes in Karnataka. This effort, we expect, would help Institutions to utilize the expertise and services of each others. This list includes Institutes in Karnataka run by Government, PSU's and NGO's. Totally 303 institutes have been listed. Apart from this address of other State Apex Training institutes have been listed.

I appreciate the efforts put in by Sri.R.N.Kumar, Faculty (Behavioral Science), Smt. S. Shubhashri, Senior Programmer and Sri. Nagaraja, Gazette Manger, who have done a tremendous work in putting together this list.
